### **OFT: Irresponsible Lending Guidance: OFT Publication Delayed until March 2010**

■ **Ian Norman, January 2010**

On 30 July 2009, the OFT began consultation on its Irresponsible Lending Guidance; however, it has now decided to delay publishing its final guidance in order to better co-ordinate its publication with the review of

credit and store card regulation by the Department for Business Innovation & Skills (BIS). The guidance is now due in March 2010.
